Buenos Aires City Tour

Private vehicle & English-speaking guide Duration: 4 hours + 2 hours lunch. No entrances fees or other extras included

This tour includes the city's main attractions, covering the City center and Plaza de Mayo square, San Telmo, La Boca, Puerto Madero, Retiro, Recoleta and Palermo areas. The order of the tour may vary depending on the day's logistics and your pickup and drop-off spot. Take the famous 9 de Julio Avenue, where our Teatro Colon Opera House and the iconic Obelisk are located to hop off the vehicle and visit our foundational area- Plaza de Mayo Square. This square is not only important for its role in our history, but it is nowadays the heartbeat of the city, being our political and economic epicenter. Take a peek on the important buildings that surround it: the Metropolitan Cathedral, the Government House- or Pink House- the Cabildo or former City Hall and the Municipality, while learning about their history and our city's origins.

Head South, following the paths of our immigrants, along narrow streets and colonial style houses, and discover San Telmo, cradle of Tango, one of our present passions and also famous for its Flea Market on Sundays. Further to the South is La Boca area with the Caminito pedestrian street- an area of artists and an important center of attraction and an open-air museum in its full expression. It is here where the Club Atletico Boca Juniors` stadium is located – where you will feel the greatest exponent of another Argentina's Passion: Football.

Nearby, the famous Puerto Madero, which was long time ago an English style port, is nowadays one of the most modern and exclusive areas in town, with 5 star-hotels modern company buildings and residences and a gastronomic pole. Here you will take a look to the famous Calatrava "Puente de la Mujer" bridge. As you cross Retiro area to the North, Buenos Aires` landscape changes again, as this is a city of contrasts. Recoleta looks like a Petit Paris, with its French style buildings and residences, its green areas and the ample avenues and high-end shops. A visit to the unique Recoleta Cemetery is almost mandatory- as it is an open-air museum, filled with stories, art, architecture and urban legends. Many important and famous Argentines rest here, including the very well-known Evita Duarte de Perón.

Nearby, a 20-meter-tall metal flower known as Floralis Genérica, a monument to all existing flowers, awaits to take part in some of your most beautiful postcards of our city. Palermo, which is the biggest neighborhood in town, is well known for its green areas, filled with trees, flowers, fountains and monuments. There are many sub- hoods – Palermo Chico with French style embassies and museum, Palermo Hollywood with restaurants and pubs and multimedia studios and Palermo Soho with ample gastronomy choices and designer shops just to mention some.

At a certain moment we will make a short stop in the park and a tango couple will be waiting to dance for us with a live "bandoneon" player while enjoying a glass of champagne and tasting chocolates. This option is included in the estimate program price.
